

Online Reservation system change notice

In order to serve our members and Badminton lovers better, CBA will use a new online reservation system for the online court reservation. It will be more convenient for you to book the courts and check-in at the front desk.

Under the current plan, all the courts after 3/12 will be booked through the new system. Detail instructions will be published on the CBA website (cabadminton.com). Please pay attention!

It will be started from 3/13 or 3/14. Please pay attention!
