

## CALIFORNIA BADMINTON ACADEMY

### 周丽丽教练 Coach Liliane Chow

I am Liliane Chow from Canton, China and have been involved in competitive Badminton since 1989. China is the preeminent world power in badminton, consistently filling the world's highest ranks of players. Since 1999, I have competed in China's National tournaments and have ranked top four in seven of its competitions.

I moved to the United States in 2002 as an Alien of Extraordinary ability in athletics, and I continue to compete internationally.

I have received Internationally Recognized Awards for Excellence in Badminton: Gold Medalist of 2003 Yonex International Championships, 2008 US Open, 2003 Adults National. I am presently ranked number one in women singles in the United States. I have been a badminton coach for 10 years, and many of my students are Jr. National Champions. I will likely be taped by USA Badminton to play a role in program development.

I have many students in the Bay Area as I currently teach at Oracle and other badminton clubs. Ultimately, as our student pool increases, I join California Badminton Academy to train in competitively as well as to play leisurely.
